

CHANGING LIVES

CTR was established in 2003 to encourage healing and celebrate life with individuals and groups whose minds, bodies and spirits will benefit from the transformative connection between people and horses. Since 2018, CTR has also supported hundreds of our nation's veterans through adaptive riding and basic horsemanship lessons. At CTR, they embark on a new mission: to experience healing for diagnoses and disabilities they received in service to our country, through the transformative connection between people and horses.
