Dear Community Partner,

Chesapeake Therapeutic Riding (CTR) is excited to host our **Bingo Night Fundraiser on Saturday, November 7, 2026**, at Newport Terrace in Forest Hill. Proceeds from Bingo Night will benefit Chesapeake Therapeutic Riding and help us continue providing equine-assisted services to individuals in our community.

We're reaching out to local businesses and community partners to invite you to be part of the evening and help make it a success.

There are several ways you can support Bingo Night:

### **Sponsor a Bingo Game – \$100**

Game sponsors will receive:

- An announcement recognizing your business before the sponsored game is played
- Your business listed in our event booklet
- Recognition on CTR's social media
- The opportunity to provide marketing materials to display at the event

### **Donate to Our Chance Raffle**

We are also seeking donations for our chance raffle. You can donate a complete basket, contribute items or gift cards toward a basket, or make a monetary donation to help us put one together. Businesses are also welcome to include gift certificates, discount certificates, or other promotional offers along with donated items.

Chance raffle donors will receive:

- Recognition in our event booklet
- Recognition with the donated basket or items at the event

### **Attend Bingo Night or Help Spread the Word**

We would love to have you join us! Tickets are \$25 in advance or \$30 at the door and can be purchased at [givebutter.com/ctr-bingo-night-2026](http://givebutter.com/ctr-bingo-night-2026). We've included our event flyer and would appreciate you sharing it with others in the community.

If you are interested in sponsoring a game, contributing to our chance raffle, or have any questions, please contact Nicole Kelly at [nicole.kelly@ctrchanginglives.org](mailto:nicole.kelly@ctrchanginglives.org). Whether you sponsor a game, contribute to our raffle, attend Bingo Night, or simply help us spread the word, your support helps make what we do possible.

Gratefully,

Cathy Schmidt  
Executive Director
